PHILIPPINES Vintage Styling

With the current nod to the 1950s in fashion, more fashionistas are on the hunt for something old. Vintage dressing, it seems, is here to stay and Manila's truly stylish have found a source with New Yorker gowns. The boutique opened in 1935 and was one of the first to start ready to wear in the country, later branching into custom made fashion. Archived work is categorised by year and material. Should you happen to fancy intricate embroidery, old lace or antique beads and crystals, you might find them at 1004 Arnaiz Ave, Makati City, Manila. Tel: (632) 844 7753
